The Honorable Patrick L. McCrory
Governor of North Carolina
Office of the Governor
Raleigh, North Carolina 27611

Dear Governor McCrory:

The State Board of Registration for Foresters is pleased to present to you and the citizens of North Carolina this Roster of Registered Foresters for 2015-2016. The roster is being distributed to offices of the North Carolina Forest Service and to Clerk of Court offices throughout the state, and is available to all interested parties. It is important for North Carolina's citizens to realize that forestry provides \$23 billion annually to the state's economy as well as playing a lead role in the overall environmental well-being of the state. It is critical that North Carolina's forests be managed wisely in a sustainable manner to ensure their continued environmental and economic viability. The registration program for Foresters is a means through which standards and continuing accreditation are maintained to identify those individuals fully educated and trained in the scientific procedures needed to fulfill this responsibility.

Since the registration law was passed in 1975, there have been 1791 foresters who have qualified for registration with 882 currently registered. It is the continuing objective of this program to ensure the public that they deserve and can expect competent, ethical, professional forestry services from all registered foresters. The Board looks forward to being of further service to you and all citizens of North Carolina.

Sincerely,

Daniel W. Edwards
Chairman
R.F. # 612

§ 89B-9. General requirements for registration.

(a) An applicant for registration shall be registered upon satisfactory proof to the Board that the applicant is of good moral character and meets one of the following requirements:

- (1) Graduation with a bachelors or higher degree in a forestry curriculum from a school or college of forestry approved by the Board, passage of a

comprehensive written examination, and the completion of two or more years' experience in forestry.

- (2) Passage of a comprehensive written examination designed to show knowledge approximating that obtained through graduation from a four-year curriculum in forestry in a university or college approved by the Board and the completion of six or more years of active practice in forestry work immediately prior to the application. The work must be of a character acceptable to the Board. Graduation with an Associate Applied Science degree in a forestry curriculum in a school or college approved by the Board is the equivalent of one year of experience. The completion of the junior year of a curriculum in forestry in a college or school approved by the Board is the equivalent of two years of experience. The completion of the senior year of a curriculum in forestry in a school or college approved by the Board is equivalent to three years of experience.
- (3) Registration in good standing as a registered forester with the Board as of January 1, 1999.
- (4) Practice of urban forestry for six years immediately prior to January 1, 1999, if the applicant meets all of the following conditions:
 - a. The applicant is a North Carolina resident at the time of filing the application.
 - b. The applicant practiced under the title "urban forester" during the six-year period.
 - c. The applicant, prior to June 30, 1999, applies to the Board for registration and submits an affidavit under oath to the Board showing experience and education equivalent to that of a forester, as determined by the Board.

(b) Registration shall be determined upon the basis of individual personal qualification. No firm, company, partnership, corporation or public agency shall be registered as a registered forester.

(b1) The Board may issue a forester-in-training certificate to an applicant who has completed the educational requirements under subdivision (a)(1) of this section.

(c) A nonresident of North Carolina may become a registered forester under this Chapter by complying with its terms, and by filing a consent as to service of process and pleadings upon the Board secretary. In connection with the practice of forestry by such nonresident in North Carolina, the consent as to service of process and pleadings shall be held binding and valid in all courts, as if due service had been made personally upon said nonresident by the Board, when such process has been served upon the Board secretary.

(d) A nonresident or person who has moved to North Carolina recently and who is registered as a registered forester in another jurisdiction may be registered under this Chapter, by written application to the Board, if that jurisdiction provides for the same or substantially the same registration for North Carolina foresters who are registered under this Chapter.

(e) A nonresident of North Carolina may use the term "registered forester" or other titles otherwise prohibited by this Chapter in North Carolina without becoming registered under this Chapter if registered in another state which will reciprocate with the provision of this Chapter. (1975, c. 531, s. 9; 1998-157, s. 1.)

§ 89B-10. Application and registration fees.

(a) Applications for registration shall be made on forms prescribed and furnished by the Board. The application fee for a certificate of registration as a registered forester shall be in an amount determined by the Board, not to exceed fifty dollars (\$50.00), which shall accompany the application. An additional fee, not to exceed forty dollars (\$40.00), shall be paid upon

issuance of the certificate of registration. An applicant that does not remit the certificate fee within 30 days after being notified of qualification forfeits the right to have the certificate issued, and the applicant may be required again to submit an original application fee. If the Board denies a certificate of registration to any applicant, the initial application fee deposited by the applicant shall be retained by the Board.

(b) It is unlawful for any person to provide false or forged information to the Board or a member of the Board in obtaining a certificate of registration. (1975, c. 531, s. 10; 1989, c. 245, s. 1; 1998-157, s. 1.)

§ 89B-11. Expiration and renewals; continuing education.

(a) Registrations shall expire on the last day of June following issuance or renewal and shall become invalid after that date unless renewed. The secretary of the Board shall notify every person registered under this Chapter, at the person's last registered address, of the date of the expiration of registration and the amount of fee required for its renewal for one year. The notices shall be mailed at least 30 days prior to the expiration date of the registrations. The annual renewal fee for certificates shall be in an amount established by the Board, not to exceed fifty dollars (\$50.00). The fee for issuance of replacement certificates of registration shall be five dollars (\$5.00).

Any registration which has expired may be renewed by paying the registration fee plus one-twelfth of the annual renewal fee per calendar month from the date of expiration. Charges above the renewal fee shall not exceed an amount equal to the renewal fee.

(b) The Board shall require registered foresters to attend continuing education courses approved by the Board, not to exceed 12 hours per year, as a condition of renewal. (1975, c. 531, s. 11; 1989, c. 245, s. 2; 1998-157, s. 1.)

§ 89B-12. Examinations.

When written examinations are required, they shall be held at the time and places in the State of North Carolina as the Board shall determine. The methods of procedure will be described by the Board. A candidate failing an examination may apply for reexamination after six months and will be reexamined with payment of an additional fee established by the Board, not to exceed fifty dollars (\$50.00). Subsequent examinations will be granted upon payment of this fee for each examination. The Board may limit an applicant to three examinations. (1975, c. 531, s. 12; 1998-157, s. 1.)

§ 89B-13. Revocations and reissuance of registration.

The Board may revoke or suspend the certificate of registration of any registrant who it finds has committed gross negligence, fraud, deceit or flagrant misconduct in the practice of forestry or has demonstrated incompetence as a practicing forester. The Board may designate a person or persons to investigate and report to it upon any charges of fraud, deceit, gross negligence, incompetency or other misconduct by a registrant in the practice of forestry.

Any person may prefer charges against a registrant. The charges shall be in writing, sworn to by the person making them, and filed with the secretary of the Board. The time and place for a hearing before the Board shall be fixed by the Board. At any hearing the accused may appear in person or by counsel. The Board may reissue a certificate of registration to any person whose certificate of registration has been revoked or suspended. (1975, c. 531, s. 13; 1998-157, s. 1.)

§ 89B-14. Roster of registered foresters; consulting forester affidavit.

(a) A roster showing the names, registration numbers, and places of business residence of all registrants under this Chapter shall be prepared annually by the secretary of the Board. Copies of this roster shall be placed on file with the Secretary of State of North Carolina and

each clerk of superior court in North Carolina. A copy shall be sent to each registrant, and copies may be furnished to the public upon request and upon payment of a fee set by the Board.

(b) Each consulting forester shall annually file with the Board an affidavit of its compliance with this Chapter. (1975, c. 531, s. 14; 1998-157, s. 1.)

§ 89B-15. Violation.

A violation of this Chapter is a Class 3 misdemeanor. (1975, c. 531, s. 15; 1993, c. 539, s. 611; 1994, Ex. Sess., c. 24, s. 14(c); 1998-157, s. 1.)
