The Honorable Patrick L. McCrory
Governor of North Carolina
Office of the Governor
Raleigh, North Carolina 27611

Dear Governor McCrory:

The State Board of Registration for Foresters is pleased to present to you and the citizens of North Carolina this Roster of Registered Foresters for 2016-2017. The roster is being distributed to offices of the North Carolina Forest Service and to Clerk of Court offices throughout the state, and is available to all interested parties. It is important for North Carolina's citizens to realize that forestry provides \$23 billion annually to the state's economy as well as playing a lead role in the overall environmental well-being of the state. It is critical that North Carolina's forests be managed wisely in a sustainable manner to ensure their continued environmental and economic viability. The registration program for Foresters is a means through which standards and continuing accreditation are maintained to identify those individuals fully educated and trained in the scientific procedures needed to fulfill this responsibility.

Since the registration law was passed in 1975, there have been 1791 foresters who have qualified for registration with 882 currently registered. It is the continuing objective of this program to ensure the public that they deserve and can expect competent, ethical, professional forestry services from all registered foresters. The Board looks forward to being of further service to you and all citizens of North Carolina.

Sincerely,

Daniel W. Edwards
Chairman
R.F. # 612

§ 89B-3. State Board of Registration for Foresters; appointment of members; terms.

(a) A State Board of Registration for Foresters is created to administer the provisions of this Chapter. The Board shall have five members as follows:

- (1) Four duly practicing registered foresters, at least three of whom hold a bachelors or higher degree from an accredited forestry school, and
- (2) One public member.

Each member shall be appointed by the Governor for a three-year term. No member may serve more than two complete consecutive terms.

(b) Each member of the Board shall be a citizen of the United States and a resident of North Carolina.

(c) Vacancies in the membership of the Board shall be filled by appointment by the Governor for the unexpired term.

(d) The Board shall elect annually the following officers: a chairman, and a vice-chairman, who shall be members of the Board, and a secretary who may be a member of the Board. A quorum of the Board shall consist of not less than three voting members of the Board. (1975, c. 531, s. 3; 1983, c. 103, s. 1; 1998-157, s. 1.)

§ 89B-4. Compensation and expenses of Board members.

§ 89B-5. Organization and meetings of the Board.

The Board shall meet at least twice each year. In addition, special meetings may be held in accordance with the rules of the Board. (1975, c. 531, s. 5; 1998-157, s. 1.)

§ 89B-6. Powers of the Board.

The Board may adopt rules in accordance with Chapter 150B of the General Statutes for the proper performance of its duties and the regulation of the proceedings before it. The Board shall adopt an official seal. Any member of the Board may administer oaths or affirmations to witnesses appearing before the Board.

The Board may establish fees, subject to the maximum amounts prescribed by this Chapter. (1975, c. 531, s. 6; 1998-157, s. 1.)

§ 89B-7. Receipts and disbursements.

The secretary of the Board shall receive and account for all moneys derived under this Chapter, and shall keep these moneys in a separate fund known as the "Registered Foresters' Fund." Moneys in the Fund shall be expended to carry out the purposes of the Board. The secretary of the Board shall give surety bond to the Board in an amount determined by the Board. The premium for the surety bond is a proper expense of the Board and shall be paid from the Registered Foresters' Fund.

The Board may employ and fix the compensation of necessary clerical and other assistants. The compensation of these assistants shall be paid out of the Registered Foresters' Fund. (1975, c. 531, s. 7; 1998-157, s. 1.)

§ 89B-8. Records and reports.

The Board shall keep a record of its proceedings and a register of all applications for registration. The register shall show the name, age and residence of each applicant; the date of the application; the applicant's place of business; the applicant's educational and other qualifications; whether or not examination was required; whether the application was rejected or registration was granted; the date of action by the Board; and other information deemed necessary by the Board. Each July 1 the Board shall submit to the Governor a report of its transactions of the preceding year. (1975, c. 531, s. 8; 1998-157, s. 1.)

§ 89B-9. General requirements for registration.

(a) An applicant for registration shall be registered upon satisfactory proof to the Board that the applicant is of good moral character and meets one of the following requirements:

- (1) Graduation with a bachelors or higher degree in a forestry curriculum from a school or college of forestry approved by the Board, passage of a

comprehensive written examination, and the completion of two or more years' experience in forestry.

- (2) Passage of a comprehensive written examination designed to show knowledge approximating that obtained through graduation from a four-year curriculum in forestry in a university or college approved by the Board and the completion of six or more years of active practice in forestry work immediately prior to the application. The work must be of a character acceptable to the Board. Graduation with an Associate Applied Science degree in a forestry curriculum in a school or college approved by the Board is the equivalent of one year of experience. The completion of the junior year of a curriculum in forestry in a college or school approved by the Board is the equivalent of two years of experience. The completion of the senior year of a curriculum in forestry in a school or college approved by the Board is equivalent to three years of experience.
- (3) Registration in good standing as a registered forester with the Board as of January 1, 1999.
- (4) Practice of urban forestry for six years immediately prior to January 1, 1999, if the applicant meets all of the following conditions:
 - a. The applicant is a North Carolina resident at the time of filing the application.
 - b. The applicant practiced under the title "urban forester" during the six-year period.
 - c. The applicant, prior to June 30, 1999, applies to the Board for registration and submits an affidavit under oath to the Board showing experience and education equivalent to that of a forester, as determined by the Board.

(b) Registration shall be determined upon the basis of individual personal qualification. No firm, company, partnership, corporation or public agency shall be registered as a registered forester.

(b1) The Board may issue a forester-in-training certificate to an applicant who has completed the educational requirements under subdivision (a)(1) of this section.

(c) A nonresident of North Carolina may become a registered forester under this Chapter by complying with its terms, and by filing a consent as to service of process and pleadings upon the Board secretary. In connection with the practice of forestry by such nonresident in North Carolina, the consent as to service of process and pleadings shall be held binding and valid in all courts, as if due service had been made personally upon said nonresident by the Board, when such process has been served upon the Board secretary.

(d) A nonresident or person who has moved to North Carolina recently and who is registered as a registered forester in another jurisdiction may be registered under this Chapter, by written application to the Board, if that jurisdiction provides for the same or substantially the same registration for North Carolina foresters who are registered under this Chapter.

(e) A nonresident of North Carolina may use the term "registered forester" or other titles otherwise prohibited by this Chapter in North Carolina without becoming registered under this Chapter if registered in another state which will reciprocate with the provision of this Chapter. (1975, c. 531, s. 9; 1998-157, s. 1.)

§ 89B-10. Application and registration fees.
