## ANNUAL RENEWAL NOTICE

*Thank you to those of you that have already submitted your renewal. It is helpful to have them early!!!!*

### Registration Renewal Information

Your current registration expires **June 30, 2016**. To renew your registration, please complete the attached renewal form and CFE Activity Report and remit the annual renewal fee of **\$40.00**. **Checks should be made payable to "State Board of Registration for Foresters"**. Please **DO NOT** send cash. Copies of renewal forms are also available on the Board's website at <http://www.ncbrf.org/renew.htm>.

To remain current, the Board must receive your registration renewal **NO LATER THAN JUNE 30, 2016**. Failure to submit your renewal form will result in the suspension of your registration. **This means you cannot represent yourself as a Forester in NC until your registration has been renewed.**

### Continuing Forestry Education Requirements

As required by GS 89B-11(b) and by 21NCAC 20 .0123, Registered Foresters, who do not have "retired" status, must obtain **at least 10 hours of Continuing Forestry Education [CFE] each year**. At least six hours of CFE credits must be SAF Category 1. The

remaining four hours can be SAF Category 1, 2, or 3. These hours must be earned during the fiscal year July 1, 2015 - June 30, 2016. Retired foresters who want to remain registered must obtain at least 3 hours in either Category 1, 2, or 3 per year. **RFs are required to submit their CFE credits when they renew their registration.** Any CFEs earned prior to July 1, 2015 cannot be used toward the June 30, 2016 requirement.

Failure to obtain the necessary credit hours will result in suspension of your registration until the required hours are satisfied. A late fee of \$3.25/month (maximum of \$40.00 per year) will also be assessed for such a late renewal. There is no time limit on this process. However, the RF has the option to become "re-registered" by submitting a new application for registration, and passing the registration exam(s).

### CFE Activity Report

A copy of the CFE Activity Report is included with this newsletter. Please list the programs attended, the sponsoring organization, date(s) attended, number of contact hours, and the SAF category (1-3) where designated on the form. **You must attach a copy of the CFE Certificates for all Category 1 hours** for each Continuing Forestry Education course you attended. CFE Certificates are **NOT** required for CFEs credits earned in Categories 2 or 3. You must retain copies of all documentation for a period of two years in the event of an audit by the Board.

The NC Board of Registration for Foresters requires and monitors continuing forestry education (CFE) for NC Registered Foresters. However, the Board is NOT a CFE provider, and the Board does NOT determine or approve the category of CFEs. This function is handled (in NC) by the Appalachian SAF, or ApSAF and all credits have to be approved prior to the course being offered. The NC Division contact for CFEs is currently Ed Pomeroy. You can reach him by email at [eepomero@gapac.com](mailto:eepomero@gapac.com) or by phone at 919-878-2400, ext. 103.

## **Contacting the Board Office**

Please help me help you. The Board Executive Director position is a part-time position, so I may not always be available when you call. Likewise, foresters are not always in areas with adequate phone service when phone calls are returned. If you call the office and don't get an answer, leave a detailed message, including your question and phone number and I will get back with you. If your question or request is straight forward, email to [info@ncbrf.org](mailto:info@ncbrf.org) is also a good option that avoids phone tag.

Thank you,  
*Jennifer Grantham*
